The European Leadership programme to achieve Climate Neutrality by 2050

REMARKABLE Climate Leaders will support leaders of public authorities and communities in implementing transformational roadmaps and solutions to achieve Climate Neutrality.

WWW.CLIMATELEADERS.EU

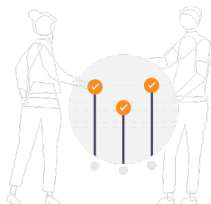

The Climate Emergency and Energy Transition Agendas require clear leadership, ambition, courage and conviction if our 2050 goals are to be achieved. Through the **remarkable** climate leaders programme, Regional Energy Agencies will:

remarkable
climate leaders

Train 120 leaders
from multiple sectors
to translate strategic
aspirations into disruptive
far-reaching measures.

Facilitate the creation
of 60 transformational
roadmaps for public
authorities aiming at
Climate Neutrality by 2050

Roll-out 14 new
innovative service
in support of
Climate Neutrality
